WORK EXPERIENCE

LGUSuite, Inc. | Cainta, Rizal | Work from Office

Front-End Developer/Software Engineer

March 2023 – Present

- Collaborate with UX designers to create user-centric and visually appealing interface designs for web and mobile applications.
- Translate design mockups and wireframes into responsive and pixel-perfect UI layouts using HTML, CSS, and JavaScript.
- Ensure a seamless and intuitive user experience by optimizing UI elements and layouts for various devices and screen sizes.
- Develop UIs that function flawlessly across multiple browsers, addressing compatibility issues when necessary.
- Optimize UI components for speed and efficiency to ensure fast load times and smooth interactions.
- Write clean, well-structured, and maintainable code, adhering to coding best practices and industry standards.
- Work closely with UX designers, back-end developers, and project managers to integrate front-end components seamlessly within project timelines.
- Conduct rigorous testing and debugging to identify and rectify UI-related issues, ensuring a bug-free and polished user experience.
- Stay updated with the latest UI/UX trends, design principles, and emerging front-end technologies to enhance your skills and contribute innovative ideas to projects.

Accenture Philippines | Mandaluyong, Metro Manila | Hybrid

Associate Software Engineer

Aug 2022 – Mar 2023

- Assist in defining and reviewing requirements and use cases for the application.
- Design the application to meet the business process design and application requirements.
- Configure, build, and test the application or technical architecture components.
- Participate in transitioning the designs to the developers, code reviews and transitions of the application or technical architecture components to the testers.
- Fix any defects and performance problems discovered during testing.
- Create technical and functional/end-user operational documentation for the software or system.

TRAININGS

Laravel + REST API
(AppStudio IT Services & Solutions)
Sept. 21-22, 2019
